## Share a Dog with Dad for Father's Day

Stonelake wants to celebrate all the Super Dads this June. On Sunday, June 10, from 12:00 p.m. - 2:00 p.m., come spend some time with Dad at our Dads n' Dogs event. Sac City Eats will be on-site grilling up some delish "dogs." Each attendee can enjoy their choice of beef hot dogs, Polish dogs or hot links, assorted chips, cookies and lemonade. We know Dad works hard so we will also be treating him to some cold beer (2 drinks max per adult), and each Dad will be entered into a drawing for a prize valued up to \$100. Reservations for this event are required and a small fee of just \$5 per member and \$7 per guest will be due at the time of sign-up. Sign-ups opened on May 7.

## Making Things Interesting Art Class

Interested in taking an art class this summer at the Clubhouse? We are currently polling the community for interest. Classes would accommodate 10-12 students of all ages (must be at least 5 years old), would include all materials, classes would be about 1.5 hours long and would cost approximately \$10 per student. If you are interested in attending this class, please send your information to [stonelakeadmin.ca@fsresidential.com](mailto:stonelakeadmin.ca@fsresidential.com).

## STONELAKECLUB.COM

Be sure to visit our website at [Stonelakeclub.com](http://Stonelakeclub.com) for the latest Stonelake information. The website is updated daily and contains the most up-to-date information about your association.

## Stonelake's 4<sup>th</sup> of July Parade

Bring your scooters, bikes, trikes, wagons, and strollers to the Clubhouse parking lot on Wednesday, July 4, at 9:00 a.m. There will be patriotic supplies to decorate your "wheels." The parade starts at 10:15 a.m. at the Clubhouse and will be escorted by the Cosumnes Fire Department. After a short parade through the neighborhood, we will end back at the Clubhouse and all participants are invited to enjoy a refreshing treat.

This event is free to attend, but please let management know that you will be attending so that we can ensure we have adequate supplies.

## Clubhouse Access Reminders

With many members using the facilities during the summer, we would like to provide a few friendly reminders:

When entering the Clubhouse, **each resident (including spouses and children over 14 years of age)** are required to show or swipe their membership card to access the Clubhouse and pool area. Entering the Clubhouse facilities as a family using one membership card is not adequate. Each member must swipe his/her own card. This requirement is provided in our Stonelake Clubhouse Rules, Section 1.8.1 which states: *"Requirement to Present Card-Membership Cards must be presented when signing in for use of the club facilities."*

Residents who do not have their membership card with them when requesting to use the Clubhouse and/or pool facilities will not be admitted into the facilities.

Often, we have minors attempting to sign their friends in as guests. If your minor has an access card for the Clubhouse, please be sure to communicate to them they are not allowed to sign in guests until they are 18 years of age.

Lastly as a reminder, the Board has adopted a new Guest Policy. Mondays and Fridays are Member Only Days (no guests allowed) and the guest limit per household is three (3) guests with an option to have an additional three (3) guests at \$4 each.

We look forward to another successful summer.

## IntelliBricks Robotics and STEM Enrichment Summer Camp 2018

IntelliBricks Lego Robotics Summer Camp will be offering two new programs this summer at the Clubhouse.

**Lego® Robotics GalaxyBots:** Travel through space, launch a satellite, traverse the surface of Mars and meet the Martians. Our hands-on Lego® Robotics classes provide an excellent platform for learning STEM concepts. In this space-themed camp children will build Lego® models such as flying saucers, satellites and space ports. They will program them with the intuitive WeDo platform, letting students bring their creations to life while sharpening their skills in logical reasoning, pattern recognition and modeling simulations. The software also features a colorful drag-and-drop interface that students will find easy to use and understand.

**Dates:** July 23 – 27 (Monday-Friday)

**Ages:** 5 to 9

**Time:** 9:30 a.m. to 12:30 p.m.

**Cost:** \$155

**Lego® Stop Motion Animation:** The LEGO Minecraft Camp will introduce students to the basic foundations of stop-motion animation through the use of LEGO construction and computer-based animation software. The theme is based on Minecraft and will contain a unique-themed setting for each of the five days of camp—castle, cave and end worlds. Students will create storyboards, take photos and animate their stories using the Frames 6 animation software. By the end of the camp, students will take home a workbook with resources on how to create their own animation projects, as well as a USB drive containing the video projects they created in the camp.

**Dates:** July 23 – 27 (Monday – Friday)

**Ages:** 8 to 12 years

**Time:** 1:30 p.m. to 4:30 p.m.

**Cost:** \$160

To register, visit [www.intellibricks.org](http://www.intellibricks.org). As space is limited, we do not encourage registration by mail. Please call or email if you do not prefer online registration. Questions or comments? Email [info@intellibricks.org](mailto:info@intellibricks.org) or call (916) 595-0816.

## Customer Care Center

The goal of FirstService Residential is to utilize the Customer Care Center to streamline all HOA processes. We are just a phone call away, so please contact us any time at (800) 428-5588.

## Community Volunteers Needed

Are you looking to get more involved in the community? Now is your time. We still have one open spot on the Architectural Change Committee. If you are interested, please contact management at the Clubhouse for an application.

## Committee Members Needed

Interested in serving on a Committee? We need you. There is one vacancy on the Safety Awareness Committee as well as one vacancy on the Architectural Committee. Both are important roles in maintaining and improving your community. Contact the management office at (916) 714-9511 if you are interested in learning more about the positions.

## Gym Equipment

We recently had an inquiry to purchase a rowing machine for the gym. Is this something you would be interested in or have any other comments on recommended equipment? We would love to hear your feedback. Please feel free to email [Stonelakeadmin.ca@fsresidential.com](mailto:Stonelakeadmin.ca@fsresidential.com) with your comments.

## Swim Lessons

Dolphin Scuba Center is back this summer offering swim instructions to the Stonelake community. Sign-ups began on May 1. Please call the Clubhouse at (916) 714-9511 for sign-up information.

## Water Aerobics

We are excited to announce Water Aerobics will be back again this summer. Beginning Saturday, June 2, water aerobics classes will begin at 9:30 a.m. on Saturday mornings, and will run about 45 minutes. The cost will be \$5 per resident and \$7 for guests. See below for additional information regarding this class:

*Water Aerobics is a low-impact, aerobics-based class designed to be light on joints but still offers a full body workout which mainly focuses on resistance training. All swim levels are welcome and various modifications are offered so you can challenge yourself at your own personal level of fitness.*

## Upcoming Meeting Dates

- **Architectural Meetings** – Held on the first Tuesday of every month at 6:00 p.m. The next scheduled meeting is June 5.
- **Open Session Board Meetings** – Held on the second Tuesday of the month. The next scheduled meeting is June 12, at 7:00 p.m. in the Clubhouse located at 3000 Riparian Way, Elk Grove, CA 95757.

Visit the Stonelake website, [Stonelakeclub.com](http://Stonelakeclub.com), regularly for notices regarding meeting date changes. Also, copies of the CC&Rs, Bylaws and Rules and Regulations are posted on the website for your convenience.
