Community Events

We are excited to bring back community events as soon as we can. We are closely monitoring information and recommendations released by the CDC regarding COVID-19 and social distancing requirements. Be sure you are signed up for our community email blasts for the latest information regarding community events and other important association-related information. You may be added by sending a request to Stonelakeadmin.ca@fsresidential.com. You will find some of the planned events below:

Pool Season Start-Up BBQ

It's almost pool season. Are you ready to jump in? Mark your calendar for Saturday, May 23, to bring the whole family down to the pool for an afternoon of good eats, good company and good music. Sac City Eats BBQ and Catering will have the grill fired up and ALLSTAR DJ Group will be here to play music for all to enjoy from 12:00 p.m. to 4:00 p.m. Lunch will include: cheeseburgers (or plain hamburgers), hot dogs, fruit salad, chips, cookies and lemonade (or water). A fee of \$5 per Stonelake resident and \$7 per guest (2 guests maximum per household) will be charged at the time of sign-up. We are only able to accept cash or check for payment.

Sign-ups for this event open on May 4.

Note: The pool will only be accessible to those that have signed up for the event. The pool will re-open to all members after the event at 4:00 p.m.

Should additional information be released from the CDC with concerns/recommendations regarding COVID-19 and social distancing extensions, postponement or cancellation of this event may be considered.

Member Appreciation Week

The week of June 8 to June 12 is all about our members. Keep an eye out for more information to come in the June newsletter and via community email blasts regarding the exciting things we have planned to show you our appreciation.

Family Glow Dance Party

Put on your best dancing shoes and plan to dance the night away. This event is scheduled for Friday, June 19. Be sure to check for more information to follow in the June newsletter and via community email blasts.

Clubhouse Access

With many members using the facilities during the summer, we would like to provide a few friendly reminders:

When entering the Clubhouse, each resident (including spouses and children over 14 years of age) are required to show or swipe their membership card to access the Clubhouse and pool area. Entering the Clubhouse facilities as a family using one membership card is not adequate. Each member must swipe his/her own card. This requirement is provided in our Stonelake Clubhouse Rules, Section 1.8.1 which states: "Requirement to Present Card—Membership Cards must be presented when signing in for use of the club facilities."

Residents who do not have their membership card with them when requesting to use the Clubhouse and/or pool facilities will not be admitted into the facilities. Often we have minors attempting to sign their friends in as guests. If your minor has an access card for the Clubhouse, be sure to communicate to them they are not allowed to sign in guests until they are 18 years of age.

Lastly as a reminder, the Board of Directors has adopted a new Guest Policy. Mondays and Fridays are Members Only Days (no guests allowed) and the guest limit per household is three (3) guests with an option to have an additional three (3) guests at \$4 each.

We look forward to another successful summer.

A Day for Mom

Mother's Day is an occasion which is celebrated to express respect, honor and love towards mothers. The day is an event to honor the contribution of mothers, acknowledge the efforts of maternal bonds and the role of mothers in our society. It is a day which makes people remember the importance and significance of mothers in their life and is observed as a day to give special emphasis to the motherly figures around the world. Although, different countries celebrate the occasion on different dates, the common months of the celebrations are March or May.

This year Mother's Day falls on Sunday, May 10.

Landscape Maintenance

Stonelake appreciates your hard work in keeping the community an attractive and enjoyable environment by maintaining and caring for your landscaping. The much-needed April showers are sure to have brought more than just lovely "May flowers," so be sure to include weed removal from the driveway/concrete areas as part of your regular landscaping maintenance. Thank you for your compliance.

Clean, Green Air

Did you know there are several common houseplants that can help you breathe easier by increasing oxygen levels and removing toxins from the air inside your home?

Below is a list of nine natural air purifiers. For maximum effectiveness, aim for at least two plants in 10- to 12-inch pots per 100 square feet of space. And be sure not to over water your plants, which can lead to mold—another pollutant to watch out for.

- English Ivy
- Lady Palm
- Boston Fern
- Snake Plant
- Golden Pothos
- Wax Begonia
- Red-Edged Dracaena
- Spider Plant
- Peace Lily (This variety is poisonous to pets, so place with caution)
